Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Little Earth of United Tribes Rehabilitation Project in fiscal year 2024.

The entity to receive funding for this project is the Little Earth of United Tribes Housing Corporation, located at 2501 Cedar Avenue S, Minneapolis, MN 55404.

The funding would be used for the rehabilitation of a HUD Section 8 housing facility. These funds would be used to meet HUD minimum property standards, upgrade the property to current life safety and building codes, increase security, upgrade mechanical and electrical systems to current energy standards, and replace rotting siding, energy wasting windows, replace deteriorated roofing, and install new kitchens, baths, and casework.

The project is an appropriate use of taxpayer funds because it will rehabilitate a HUD Section 8 housing facility for taxpayers in Minneapolis.

The project has a Federal nexus because the funding provided is for purposes authorized by the Community Development Block Grant (CDBG) program 42 U.S.C., 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
