Dear Chair DeLauro and Ranking Member Granger:

I am requesting \$4,600,000 in funding for the Hennepin Healthcare East Lake Clinic Rebuild Project in fiscal year 2022.

The entity to receive funding for this project is Hennepin Healthcare System, Inc., located at: 701 Park Avenue, S6, Minneapolis, MN 55415-1623.

The amount requested was \$4.6 million. This funding would support rebuilding Hennepin Healthcare's primary care clinic on East Lake Street that was destroyed during civil unrest in Minneapolis in 2020. It would provide critical primary care services to over 9,000 patients in a Federally Designated Medically Underserved Area (MUA) and Opportunity Zone, bring together mental health and primary care services, and prototype a new trauma-informed primary care model in Minneapolis. The new location for the clinic will be in the new Hennepin County Human Services Center which is set to house mental health, insurance, and other benefit services - this co-housing would make East Lake Clinic a model for integrated primary care service delivery for Medicaid and underserved communities.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
